SCORE REPORTING

Policies pertaining to score reporting and use are periodically reviewed and revised by the GRE Board. The policies and procedures explained in the 2011-12 GRE Information and Registration Bulletin are effective only for the time period of August 1, 2011, to June 30, 2012, and supersede previous policies and procedures in previous Bulletins. GRE score reporting is cumulative. Test scores earned during the five-year period prior to the 2011-12 testing year (July 1, 2011, to June 30, 2012) will be included in your cumulative score report.

PERCENTILE RANK (% BELOW)

The percentile ranks in this report indicate the percentage of examinees who scored below your score. Note that these percentile ranks may be different from those that applied when the scores were originally reported to you if the scores were earned prior to July 2011. This reflects annual updating of these data to permit admissions officers to compare scores, whenever earned, with those for a recent reference group.
